EXPERIENCE

NASA

Illustration Artist | Cleveland, OH | 6/2019 – 8/2019

As an Artist Intern at NASA, I contributed to the COMPASS team's spacecraft architecture projects, including the Martian Ascent Vehicle, Nuclear Electric Propulsion System, and Saturn's moon submarine. I focused on improving mission visuals for stakeholders and the public through design work, including posters and signage.

The United States Air Force Academy

Designer | Colorado Springs | 6/2020 – 6/2023

I led design projects for USAFA's athletic and academic departments, including creating the 2023 Falcon Mascot Symbol. I produced materials for high-profile events and managed various design tasks across campus. I became proficient in wayfinding, large banners, motion media, and more.
